Jeffrey Ip is a compassionate and dedicated anaesthesiologist current working in Queen Elizabeth Hospital, where he strives to enhance patient outcomes through his commitment to pain medicine. His pursuit of excellence in this field is evident through his extensive training and specialized programs in pain medicine in Hong Kong. Moreover, Dr. Ip's expertise and understanding of pain management were further augmented by his prestigious fellowship with the Faculty of Pain Medicine of the Australian and New Zealand College of Anaesthetists (FPMANZCA).

To continuously enhance his skills, Dr. Ip has actively sought opportunities to participate in various workshops, including musculo-skeletal ultrasound courses and cadaver workshops. These experiences have allowed him to refine his techniques and stay up-to-date with the latest advancements in pain medicine.

Dr. Ip is particularly passionate about ultrasound-guided pain interventions, recognizing their potential to provide targeted and effective relief to patients. His advanced skills in utilizing ultrasound guidance enable him to accurately diagnose and administer precise pain interventions, optimizing patient outcomes.

Dr. Ip is thrilled to participate in the 2nd Multidisciplinary International Association of Musculoskeletal Pain Congress, a renowned conference in the field. This platform will enable him to share his experiences and insights with fellow professionals, fostering interdisciplinary collaboration and knowledge exchange.
