*Hong Kong*

Lai-Shan Tam, MD, is division Head and Professor in the Division of Rheumatology within the Department of Medicine and Therapeutics at The Chinese University of Hong Kong (CUHK). She is the chairperson of the Asia Pacific League Against Rheumatism (APLAR) Center of Excellence committee and the APLAR Academy coordinator. Professor Tam was a member of the European League Against Rheumatism (EULAR) Programme Committee (from 2016 to 2019). She has also been a EULAR honorary member since 2019. She serves as an Associate Editor for the International Journal of Rheumatic Diseases and Arthritis Research & Therapy, and she is an international advisory board member of The Lancet Rheumatology. She is the first author or co-author of over 270 articles published in major rheumatology journals. Professor Tam's research interests include premature atherosclerosis and bone loss in patients with rheumatic diseases.
