11th Multidisciplinary Musculoskeletal Ultrasound Congress on Pain Management
12 – 14 April 2024 • Hong Kong**

Sharon Tsang

*Associate Professor in Physiotherapy
The Hong Kong Polytechnic University
Hong Kong*

Sharon Tsang is an Associate Professor in Physiotherapy of The Hong Kong Polytechnic University. She received her professional educations in Hong Kong, Australia and the United Kingdom. She holds the Fellowship (Musculoskeletal Physiotherapy) of The Hong Kong College of Physiotherapy and serves as the Honourary Senior Physiotherapist at the New Territories East Cluster of The Hospital Authority. Her teaching, research and clinical practice encompass the biomechanics, movement pattern and motor control of the human spine. She is particularly interested in studying the classification models of movement-based dysfunction, efficacy of manual therapy and therapeutic exercise prescription for people with chronic neck and back pain.
