Sumire Sasaki
Consultant
CUHK Medical Centre
Hong Kong

Sumire Sasaki obtained her medical degree from The University of Hong Kong, and subsequently obtained a fellowship in both Anaesthesia and Pain Medicine.

She previously served patients at various public hospitals and is currently working as a Consultant Pain physician and Anaesthesiologist in the private sector. She is a keen interventionalist and has a special interest in ultrasound-guided regional blocks and pain interventions. She provided neurolysis of the articular branches of the hip at Tuen Mun Hospital. She has also taken part in several publications on the topic.

Dr. Sasaki is also devoted to education. She was a supervisor of training for pain trainees, an instructor for the ultrasound guided regional anaesthesia course for anaesthesia trainees (UGRA) and mock examiner for various fellowship examinations.
